Re: Leslie Rutledge's voter registration in Washington D.C.

This morning, due to certain documentation we received about Leslie Rutledge's voter registration in Washington D.C., I called the Washington D.C. Board of Elections to confirm her voter registration status. I spoke with Crystal in the registrar's office. She did not give me her last name.

We received information indicating that Ms. Rutledge registered to vote in Washington D.C. in 2008. I asked Crystal if Ms. Rutledge had voted in Washington D.C. between 2008 and now. She told me Ms. Rutledge did not vote, but she was in Inactive status which means she is eligible to vote.

Sincerely,

David Berman

Assistant Chief Deputy Clerk

Re: Voter Registration-Leslie Rutledge

We recently received documentation by mail that appeared to indicate that Leslie Carol Rutledge had registered to vote in Virginia in September 2010. This morning, I called and spoke to Tamara with the Voter Registrar in Alexandria, Virginia, who verified that the documentation we received was produced by them. When asked if we could receive the full voter registration document or a copy of Ms. Rutledge's voter history, Tamara informed me that that information was privileged and would only be made available to Ms. Rutledge or her attorney.
