Alright, I'm out for the week. PLEASE do not forget to get the docket for yourselves and one copy for me. PLEASE leave it in my chair. Leslie, all your cases for next Monday are on your desk and everything's been filed. [REDACTED] is probably a no-go for adoption on Monday but be careful because those adoption specialists are tricky...I also sent out a transport order for [REDACTED] for Monday.

Scott, you only had one case on your calendar for Monday so make sure you peruse the docket when you receive it. Umm.... Either of you need anything with emergency, please let Marcia or Catherine know. You can call my cell but I'll probably stop by tomorrow with my best friend so she can meet y'all anyways. Stay out of trouble and I'll catch ya later.

"Oh crap" on so many levels. Let's see:

Will have to pretend to your parents that you are cute and funny. They know better.

Will have to not dress slutty as that is "not successful" and it freaks Judge Gruber out when I show cleavage and upper thigh. Same here...I get the scowl every time I see her at one of these society events...should've seen her the first time when I ran into her and I was wearing a "Lil rig and f-ck me pumps"

Will have to appear mentally stable so your first cousin won't judge me. Not sure of "my cousin" you missed.

Will have to monitor [REDACTED] alcohol intake because we all know how she is at a party. Sad...maybe we all go to the lil piano bar off Rahling for a night cap or to mine or my parents' house...

:) Had to copy [REDACTED] on this so she would know that I was making sport of her - hee hee.

By the way, your cousin's book changed my cousin's life. I have to get a copy of it! Awesome!

Dear Mr. Jones:

I have been encouraged by Jack Quick, Placement Officer at California State University, Chico, to contact you concerning your opening for a Sales Representative. After reviewing your company brochure, I am confident that I can be an asset to your company and would appreciate your reviewing the enclosed resume that depicts my sales characteristics and skills.

Accepting challenges is the foundation of my life experiences and something I do with confidence. You will find me a totally committed individual with pride in being direct, spontaneous and communicative. I can maintain records, perform numerical calculations with accuracy and I need little direction to complete assigned tasks. These are the qualities that make an excellent Sales Representative.

From past experiences and education, I have acquired persuasive techniques that are needed to influence students, parents and customers in making choices. My leadership skills are developed and have allowed me to spontaneously interact with ethnic diverse populations and all age groups. I am a motivator and organizer and these skills have enabled me to effectively defuse problem situations with customers using tact, thus creating a long-term client base. Teamwork is another skill I have acquired and one I know is necessary for organizational

cohesiveness. Over the years, I have had to establish daily operational bases for projects/programs and provide the direction to insure the progress and deadline were met.

I will appreciate the opportunity to meet and further discuss my qualifications and your sales position. I will be contacting your office to follow up on this letter around the first week in August. Looking forward to hearing from you. Thank you in advance for your consideration.

Many thanks.

Respectfully yours,

Leslie C. Rutledge

**Subject:** True story and email from a friend of mine...she works d'town with battered women, etc.

Ya'll,

It finally happened. I don't know quite how to describe this so I'll just tell it like it need be tole.

This young man about 23, came into the office today with his mama, who done tole me he wa'nt quite right in de haid. But dat wa'nt de problem. De problem be wit his baby momma. Actually, it turn out he not be de daddy ( I saw the paternity test results) but he done been payin' chile suppote fo 5 year cuz Jesus done sent dat baby and it doan make no diffence who be de daddy iffn Jesus want him to be de daddy and take care o' dat baby what nobody want 'cept him and his own mama. Well, now, baby's momma done turn into a ho and a stripper an she be raisin' fusses and kickin' and bitin' and whoopin' dis man what not even be de daddy cuz she want mo money. Well, somethin' done went wrong in his haid a while back but dey figger it be on account o' dat ho and it be time to stop dat girl from whoopin' on him even doe sumpin still be wrong in de haid.

Fast forward after the Order of Protection finally gets completed: Young man what not be de baby daddy say, "De Spirit say we gotta have a prayer circle for Miz Judith what be a angel of Jesus." Before I know it, we's in a circle holdin' hands and Young man be callin' on Sweet Baby Jesus to bless us and protect us and bring us to forgive eveybody what done wrong and that mean us too." All through this, we be getting de Gospel Punctuation from his mama: "Hallelujah! Amen! Oh yes Jesus! Um hm!"

Den as dey be leavin', Mama done take me in her arms and hug me all tite and say, "Miz Judith, you be de angel of Jehovah. You come to our house anytime and we take you to church cuz Jesus he know how you be and he gwan splash his blood all ovah you and answer yo evey prayer. And doan you foget dat prayer, it travel. It doan just sit heah in dis office. It be travelin' all ovah you and eveybody what love you and eveybody what don't love you done gonna love you anyway. An eveybody you know an eveybody what come to yo sight, why dat prayer gonna fall all ovah dem too. Cuz you be a sistah. Yez, Miz Judith, you be a sistah.

Iffn dat ain't Amazing Grace, well, sistahs, I dunno what be. But dis I no: I ain't never felt so humble in all my life and all dat love, why it still be whirling roundst in me and I hopes it whirls out to ya'll an what with all dat travelin' prayer, dat you just git to stumblin' over all de blessin's what be comin' yo way cuz Jesus, he no what we be and he love us enuff to send his two angels to me so's I can send dem on to ya'll. And dis be de God's truth and it really happen and I swears it on my own chile's life. (Now, Eyren doan go and get yosef kilt or nuthin' cuz den eveybody gonna think I made this up).

Miz Judith
