Narrative & Statements								

Narrative - Cox, Steve - 7/30/2004 (Initial)

Mrs ALTES came to the sheriffs dept and stated that her husband Robert has become increasingly violent toward her. She stated that he has been pushing her to the floor, once while she was pregnant and has left numerous bruises. She stated that the last incident happened Monday 7-26 -04 when he came home and became angry because she had a box fan going. She stated that he began stomping and breaking the fan knocking it into her left leg causing several bruises.

Mrs Altes stated that at this time she only wished to document these incidents and get a protective order for her and the children. I had Mrs Altes give a written statement and photographed the injuries to her left leg. I also explained to her to contact the PA's office for the protective order.
